

Startup Services

SCK assists founders and early-stage companies with entity formation, accounting, tax and regulatory compliance, governance, employee incentive arrangements, financial reporting, due diligence and fundraising-related documentation. The scope is defined according to the company's stage and requirements.

Project Feasibility

We assess business-model viability, market assumptions and financial projections at the ideation or pre-launch stage. The review covers available records, identified exceptions and reporting within the agreed terms of reference.

Due Diligence & Health check-ups

We review books, statutory records, tax filings, cap tables and governance before investor scrutiny. The review covers available records, identified exceptions and reporting within the agreed terms of reference.

Structuring of business

We design legal and tax structures for multi-founder, multi-jurisdiction and ESOP-driven ownership. The assignment considers the relevant facts, applicable provisions, supporting documents and agreed advice.

Bookkeeping & Management Information Reports

We maintain monthly books, management accounts, cash reporting and investor-ready MIS. The scope includes review of records, preparation of prescribed information and coordination of applicable filings.

Drafting & Vetting of Agreement(s)

We draft or vet founder, shareholder, commercial, vendor and employment agreements. Scope, information requirements, review procedures and deliverables are agreed for the assignment.

Valuation & Deal support

We support valuation, cap-table modelling and seed or Series A/B rounds. Information requirements, review points, reporting format and responsibilities are agreed for the assignment.

Pre-investment & documentation support

We assist with term sheets, shareholder agreements and convertible-note documentation. Scope, information requirements, review procedures and deliverables are agreed for the assignment.

Incorporation Services

We manage company incorporation, MCA filings, PAN/TAN and DPIIT startup recognition. Scope, information requirements, review procedures and deliverables are agreed for the assignment.

Virtual CFO

Our Virtual CFO service covers financial oversight, board reporting, fundraising support, compliance and investor relations. Information requirements, review points, reporting format and responsibilities are agreed for the assignment.

Corporate secretarial advisory and compliances

We manage board and shareholder processes, statutory filings, ESOP administration and corporate records. The scope includes review of records, preparation of prescribed information and coordination of applicable filings.

FORMATION

Entity structure, incorporation, registrations and initial statutory records.

FINANCE & REPORTING

Accounting processes, management information, tax compliance and financial documentation.

GOVERNANCE & FUNDING

Corporate records, ESOP matters, due diligence and fundraising-related coordination.
