

Corporate Law Advisory

SCK assists companies and other entities with incorporation, Companies Act matters, secretarial records, FEMA and SEBI-related requirements, corporate actions, due diligence, regulatory proceedings and closure. Each assignment is undertaken with reference to the relevant legal and regulatory framework.

Incorporation Services

We manage company, LLP and other entity incorporation from structure selection through MCA filings, PAN/TAN and commencement documentation. Scope, information requirements, review procedures and deliverables are agreed for the assignment.

FEMA Compliances & Advisory Services

We advise on FDI inflows, overseas direct investment, external commercial borrowings and associated RBI reporting. The scope includes review of records, preparation of prescribed information and coordination of applicable filings.

Merger/Demerger

We support scheme design, documentation, valuation coordination and regulatory filings for mergers, amalgamations and demergers. The assignment considers the relevant facts, applicable provisions, supporting documents and agreed advice.

Compliance Health Check Up

We review the organisation's current regulatory status, historical filings and governance records. The scope includes review of records, preparation of prescribed information and coordination of applicable filings.

Preparation & Representation services before Regulatory Authorities

We prepare documentation and represent clients before the MCA, NCLT, ROC and other regulatory or quasi-judicial bodies. Work may include fact review, response preparation, documentation and representation before the relevant authority.

Companies Act Compliance & Advisory Services

We provide ongoing Companies Act 2013 advice covering board processes, shareholder matters, statutory filings and governance requirements. The scope includes review of records, preparation of prescribed information and coordination of applicable filings.

SEBI Compliances & Advisory Services

We advise entities subject to SEBI capital-market, listing and disclosure requirements. The scope includes review of records, preparation of prescribed information and coordination of applicable filings.

Secretarial Services

We maintain statutory registers, minutes, resolutions, annual filings and complete secretarial records. Scope, information requirements, review procedures and deliverables are agreed for the assignment.

Due Diligence

We conduct legal and secretarial due diligence for investments, funding rounds and restructurings. The review covers available records, identified exceptions and reporting within the agreed terms of reference.

Closure of Company & Repatriation of Funds

We support voluntary winding up, fast-track exit and repatriation of surplus funds. Scope, information requirements, review procedures and deliverables are agreed for the assignment.

ENTITY RECORDS

Maintenance and review of statutory records, minutes, registers and corporate documentation.

REGULATORY FILINGS

Preparation and coordination of filings under applicable corporate and exchange-control requirements.

CORPORATE ACTIONS

Documentation and implementation support for restructuring, approvals and other corporate matters.
